

Operative C. Morgan

New Brunswick, N.J.
Oct. 17th, 1926

At 10:25 P.M. operative met Mr. Thompson at Albany Street with automobile. We then drove to the vicinity of Snyder and Nichols Street and looked around.

At 10:55 P.M. a sedan automobile drove into Townsend St. and stopped and then the lights were put out. We then got out and walked over to this car and found it in front of Teddy Carpenter's house.

Operative went over and spoke to the man at the wheel who had a lady sitting along side of him. At 11:20 P.M. the lady got out of car and entered Mr. Carpenter's house and the automobile then drove away. The number of this car was R-4305 N.J. We then returned to town.

At 12 A.M. Operative arrived at the children's play house and took up watch. Up until 5:30 A.M. no one appeared on the premises.

Respectfully submitted:
